Part Number: 68262947A\$, 68292050A\$, 68451031A\$, 68451032A\$

Part Description: SENSOR, Wheel Speed

Issue Description: When replacing a front wheel speed sensor, hold the convolute towards the sensor head and add a zip tie over the convolute to secure it with the sensor pigtail wire to prevent movement. This will protect the wire from the brake splash shield.
