REF #: ICI23-028

Effective: 07/11/2023

Release: 07/11/2023

**SUBJECT: SF670 Campaign Reactivation**

This letter is to inform you that campaign SF670, Heated Fuel Water Separator, has been reactivated as of today Tuesday, July 11, 2023. As of Tuesday, July 11, 2023, you will see SF670 marked as "Active" in OWL.

It has been determined that there is no need to update the work instruction, as previously stated in ICI23-027. The bulletin will be reposted to DTNA Portal when campaign is reactivated.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry using the Warranty Support Center (WSC) app, located on the DTNA Portal.

*The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.*
