**Lippert Technical Service Bulletin 85-001-2023
Basecamp Motorized Leveling Controller Replacement**

July 25, 2023

Dear Tiffin Motorhome Customer,

Lippert Components, Inc (LCI) has released a technical service bulletin that may be applicable for the VIN listed above. The specific motorhomes involved in the service bulletin have a Basecamp leveling system controller that may be unresponsive after the coach's ignition has been cycled. LCI has released a service bulletin to replace the controller if it becomes unresponsive. You can have this item checked at your next service appointment. The dealer or service center you choose should contact LCI at 432-547-7378 or by email at customerservice@lci1.com for work instructions. If you have any questions about this issue, please contact LCI at 432-547-7378 or by email at customerservice@lci1.com.

Thank you for your attention to this matter,
