

REVOLUTION™

CONCRETE MIXERS

Technical Service Information Bulletin

Replacing physical in-cab documents with QR code

Date: July 24, 2023

Bulletin Name: MXR-TSIB-037

Model: Bridgemaster and Standard
Rear Discharge Mixers

Model Year: 2023

Purpose:

Revolution™ Concrete Mixers is releasing a **new** QR code and **short** URL inside the cab to access the documents which were previously printed and placed in a bag inside the cab. This release will impact Bridgemaster™ and Standard Mixers for McNeilus Mixers and Revolution Mixers.

Notice:

- This bulletin should be read and understood in its entirety before performing this procedure.

Procedure:

With the park brake engaged and transmission in Neutral, follow the procedure listed below.

The QR code needs to be scanned or by typing the short URL mentioned on the decal to access the following list of documents:

- Operator's Manual
- Quick Start Manual
- Warranty Manual
- Warranty Notice
- NRMCA link
- Daily Safety Checklist
- CNG Manuals

The QR code can be found in three places: on the mixer serial number decals, which are located on the driver side door jamb on the truck (Figures 1, 2, 3) and on the acceptance report that is placed inside the bag in the cab (Figures 4 – 8).

Locating the QR code on the decals on the door jamb

1. The decals are located on the driver side door jamb in two locations (Figures 1, 2, 3).

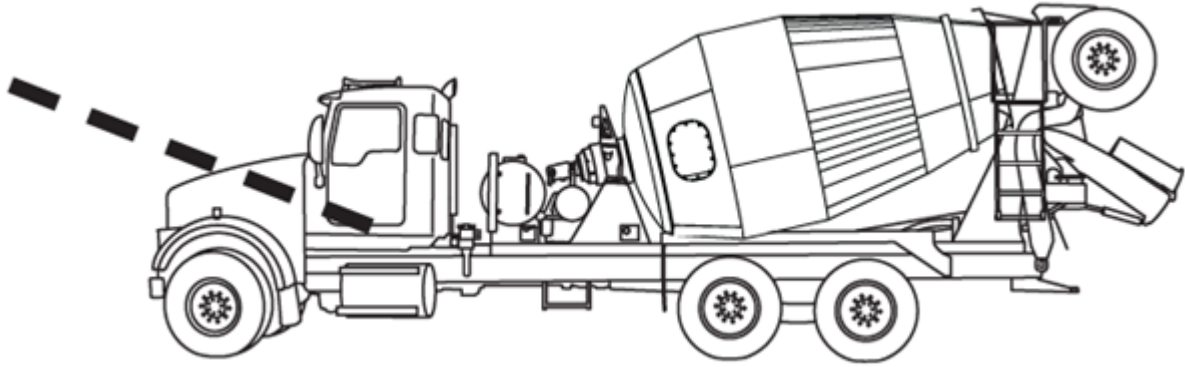

Figure 1

Figure 2: QR code location on driver side door jamb (location #1).

Figure 3: QR code location on driver side door jamb (location #2).

Locating the QR code on the acceptance report

1. Locate the bag inside the cab. The bag will be placed below the glove box/passenger seat (Figure 4) or stored on the passenger seat (Figure 5).

Figure 4: Bag located below glove box/passenger seat.

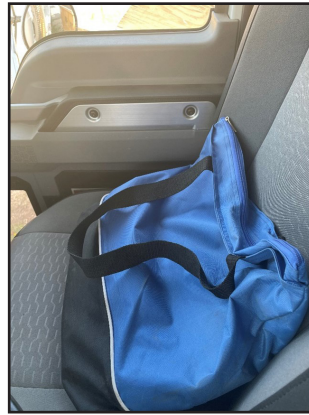

Figure 5: Bag located on passenger seat.

2. Open the bag and locate the envelope (Figure 6). Open the envelope to retrieve the acceptance report (Figure 7).
3. The QR code will be located at the bottom of the acceptance report (Figure 8).

Using the QR code to access documents

In order to access any of the documents mentioned on page 1 using the QR code, scan the QR code by:

1. Opening the camera app on your smartphone or table device with network connection.
2. Focus the camera on the QR code (Figure 9).
3. Gently tap on the pop-up link (Figure 10).
4. The browser will open and direct you to the webpage with the documents (Figure 11). Click on the required document to open/view it.

The documents can also be accessed by typing in the short URL "scnv.io/OpKit"
