ATTENTION: ALL DEALER PARTS & SERVICE MANAGERS

Kia America, Inc. is conducting a Voluntary Service Campaign to re-tighten the positive (+) battery terminal nut on certain 2023 MY Telluride vehicles manufactured from February 8, 2023 through May 22, 2023.

Kia has become aware that certain 2023 MY Telluride vehicles may have been produced with an improperly tightened positive (+) battery terminal nut. If the positive (+) battery terminal nut is not properly tightened, it may loosen over time, resulting in the illumination of the Charging System Warning light. Kia is conducting this Voluntary Service Campaign to ensure that the positive (+) battery terminal nut is properly tightened in the vehicle.

Dealers will re-tighten the positive (+) battery terminal nut to factory specifications. This campaign will be performed at no cost to the customer.

The Technical Service Bulletin that provides vehicle inspection and repair procedures, affected VIN production range, and warranty claim information will be posted on the Kia Global Information System (KGIS) at www.kiatechinfo.com during the week of August 7, 2023.

Enclosed you will find a copy of the owner notification letter and a Q&A Guide, both of which describe the issue. Kia will mail notices to the affected vehicle owners beginning on **August 9, 2023**.

Please make personnel in your dealership familiar with the details of this Voluntary Service Campaign so they may respond to customer inquiries and requests appropriately. This Voluntary Service Campaign is an opportunity for your service department to deliver an exceptional service experience to customers who may not have otherwise scheduled service. Providing customers with easy scheduling and timely service increases the chance they will return to your service department for future service needs.

LEGAL PRIVACY LIABILITY NOTICE: Pursuant to the terms of the Dealer Sales and Service Agreement and the Gramm-Leach-Bliley federal consumer privacy act, you are required to keep confidential any and all information and documents provided to you by Kia America, Inc. or generated by you in the conduct of carrying out work under that Agreement regarding Kia vehicle purchasers and owners, including but not limited to warranty claim information. Kia dealers may use such owner information for the sole purpose of conducting and performing this voluntary service campaign, and for no other purpose.

If you have any questions, please contact your Kia District Parts and Service Manager.

Sincerely,

Kia Service Department
