

GPOP - Issue Review System

Part Number: 68438382A\$

Part Description: 10.1" CENTER STACK Upper Display w/bezel

Issue Description: For complaints of intermittent black or blank screens on the center stack display (this is a radio to display signal issue, not a rearview camera to display signal issue), prior to replacing this part, please contact FCA Redacted Content. If no response in 15 minutes, proceed with repair.
