Forest River, Inc.
55470 County Road 1, P.O. Box 3030, Elkhart, Indiana 46515-3030

Date: August 2023

Technical Document:

Make: Riverstone Fifth-Wheel
Model: RSF41RL
RSF41RL Manufactured after VIN ending: 0003852

Under certain circumstances, if an operator switched from running the furnace to running the A/C, after 8 minutes the compressor for the A/C unit would turn off. Otherwise, the system would work as intended and designed.

The condition may present in FireFly Versions 5.0 through 5.9.

In order to remedy the condition, FireFly Version 5.10 needs to be installed into the FireFly touch-screen.

An owner or dealer may order a USB, or possibly have the updated version emailed by contacting:
