

Locks Made to Original Key Code

This Bulletin Replaces Bulletin Group 8, #D5, Dated 3-29-19.

Attention: Parts Manager / Parts Specialist

Supplying replacement locks coded to the original key code requires unique ordering procedures. In our Parts catalogs, locks are sold two ways: one is without stipulated lock number, the other is with stipulated lock number. The latter is a custom made lock, specially ordered from the manufacturer. The procedures are as follows:

- Orders must be placed via Polaris using Key/Lock order type.
- At the time of order placement, you will need to supply key code or VIN (except 911 prior to 1970 and all 914 models, key code only), part number and quantity.
- Stipulated locks for **pre-1981** vehicles (Vehicles **without** the 17 digit VIN) can be ordered by emailing PartsSupportAdmin@Porsche.us. Be sure to include **ZNLK** in the subject line.

These specially procured locks have a lead time of 6-8 weeks, and this should be clearly stated to your customer before accepting an order. Once a lock order has been placed, the order cannot be canceled and the lock is non-returnable. VOR orders will not be accepted.

For your convenience, on the inside of this bulletin, we have provided a quick reference chart for locks with stipulated codes.

Thank you.

Porsche Cars North America AfterSales

**Remember
Keys and Locks must be
on separate orders.**

Lock Made to Code Email Order Form *(Make copies of this form as necessary)*

This Email Order Form must only be used for pre-1981 vehicles (Vehicles without the 17 digit VIN)

Do Not Use for Keys - LOCKS ONLY

Send to: Porsche Cars North America, Inc.
