Summary

Tour-Pak Spacer Kit (Part No. 53001105) will be available to order on August 7, 2023. The kit contains necessary hardware to allow installation of the Parts and Accessories (P&A) Chopped Tour-Paks on 2023 Street Glide (FLHXSE) and Road Glide (FLTRXSE) models. Without this kit, the saddlebag lids will not open without removing the Chopped Tour-Pak.

Fitment statements of all Chopped Tour-Paks will be updated to require the separate purchase of the Tour-Pak Spacer Kit (Part No. 53001105). If Chopped Tour-Paks were purchased prior to the hardware kit availability of August 7, 2023, the kit will need to be ordered to complete the installation.
