

STAR ONLINE PUBLICATION

Case Number: S2305000003

Release Date: August 2023

Symptom/Vehicle Issue: P0258B Electric Vacuum Pump (EVP) Performance Diagnostic Trouble Code (DTC)

Discussion: WiTECH has added a new routine to aid in EVP diagnosis. Use this routine in addition to DTC diagnostics and service publications that apply. The routine to test the vacuum pump is in the PCM. Navigate to the System Tests tab. Select “Check EVP Performance” (Fig 1). Follow the on-screen directions to complete the test.

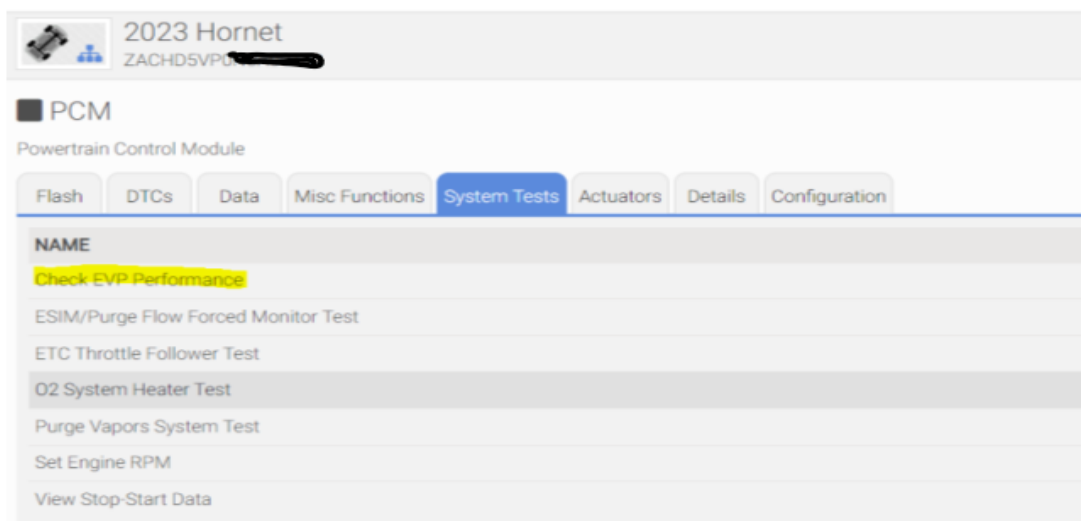

Fig 1.
Check EVP Performance routine location.

This document does not authorize warranty repairs. This communication documents a record of past experiences. STAR Online does not provide any conclusions about what is wrong with the vehicle. Rather, it captures all previous cases known that appear to be similar or related to the vehicle symptom / condition. You are the expert, and you are responsible for deciding on the appropriate course of action.

Contact STAR Center, or your Technical Assistance Center Via TechConnect, eCONTACT or Service Library entry if no solution is found.
