Hello,

We're excited to announce that we are hosting a 3-day Fisker Ocean One Software Update Event next Monday, September 25th to Wednesday, September 27th.

Join us for a chance to connect with other Fisker Ocean One owners and Fisker employees. You may also have a chance to view and give feedback on future designs, features, and prototypes for the Ocean's infotainment system!

To participate in the event, all you need to do is drive your Fisker Ocean One to our Fisker Facility in La Palma, CA. No RSVP is necessary. Address is located below in the Event Details.

Upon arrival, our team in La Palma will update your Fisker Ocean One with the latest software release and answer any questions you may have.

If you are interested in participating in user research, please contact [email] to let our team know when you will be attending the event.

#### Event Details

Date: September 25th, 26th and 27th

Time: 8 am - 7 pm PDT

Where: Fisker, 14 Centerpointe Drive, La Palma, CA 90623

If you already received an update, you are still welcome to join us at this exclusive event.

#### What's Included in this Update?
