Background

American Honda Motor Co., Inc. (AHM) is searching for certain 2022-2024 MDXs with a client complaint of front damper noise while driving over bumps. To better understand the cause of this condition, AHM would like to collect parts from the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. Non-Type S MDX's only.
2. Must be able to duplicate the noise (capture the noise in a video).
3. Noise must occur while driving over bumps.
4. Dampers are not leaking.
5. If possible, utilize Chassis ears to isolate the noise to the dampers.
6. No previous replacement of the dampers.
7. The vehicle has not been in a collision.
8. No repair has been attempted for this issue.

Action Required

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at tis@ahm.honda.com, or call us at 800-880-1072 (Monday-Friday, 7am-5pm PST). TIS will contact you to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

1. Model Year (e.g. 2023)
2. Model Name (e.g. TLX)
3. Issue (e.g. Brake Judder)
4. VIN

E-Mail Body:

1. Dealer Number
2. Your Name
3. Best Phone Number to be Reached
4. Current Mileage
5. DPTS#

As a gesture of appreciation to the dealer personnel who identify and report a vehicle that meets the qualifiers, is accepted as a candidate and is the subject of a successful Dealer Visit/Parts Collection/Info Collection, AHM will provide the referring dealer personnel with a VISA gift card. Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
