

## GPOP - Issue Review System

**Part Number:** 68565498A\$, 68565499A\$, 68616096A\$, 68616097A\$

**Part Description:** Motor, Power Running Board

**Issue Description:** For issues with a stuck or binding power side step, DO NOT replace the motor or hinge(s). The hinges must be cleaned and lubricated at regular intervals. See latest version of Star Online #S2223000044, the vehicle owner's manual, or published service information in Service Library.  
Replacements of the motor and hinge assembly due to lack of maintenance could be subject to chargeback.
