***** Dealer Announcement *****

On October 28, 2022, in connection with the court-approved settlement of class action litigation filed in Missouri, Nissan launched a Voluntary Service Campaign (VSC) on 36,858 specific model year 2002-2006 Nissan Altima and 2004-2008 Nissan Maxima vehicles to inspect, and if necessary, repair for front floor pan corrosion. Per the terms of the settlement, the VSC expired on **November 1, 2023**.

This Voluntary Service Campaign and customer reimbursement for these repairs will no longer be available after **November 1, 2023**.

***** What Dealers Should Do *****

1. Service Comm will deactivate **PC926** on any unrepaired VINs on **November 1, 2023**. No further dealer action is required.

***** Release Schedule *****

Repair	• Campaign bulletin NTB22-095 has been updated to reflect expiration of this voluntary service campaign. Please discard older copies.
Owner Notification	• No additional expiration notices are being sent to customers. • If a customer has questions regarding the terms of the approved settlement, please refer them to the Settlement Administrator at 1-855-770-4786 or to www.missourifloorpansettlement.com rather than attempting to answer questions directly.
