

WPC6 Workshop Campaign - Replacing driver airbag unit

WPC6 Workshop Campaign - Replacing driver airbag unit

Please note that this campaign is for parts analysis purposes only. The campaign will be closed once the part threshold is reached. We expect to close this campaign after 150 airbags have been sent back to Germany for analysis. All airbags removed from vehicles must be returned to your PC's facing PDC.

ID Number	WPC6
Models	Cayenne (92A) Macan (95B)
Model Years	2015
VIN List	Attached
Number of affected VINs	587
Issue Description	<p>The airbags of the affected vehicles must be examined in order to validate the results of vehicle testing for long-term quality.</p> <p>The corresponding airbags must be replaced in accordance with the assigned scope and the existing airbag must be returned to Germany for further laboratory analyses.</p>
What should Porsche Centers do?	<p>Please arrange for this measure to be carried out as soon as possible on affected vehicles.</p> <p>As of the time of this posting (11/3/23) the remedy is now available.</p> <p>Parts must be ordered via PPL with a PRMS Parts Support ticket for release.</p> <p>Please return all airbags removed from vehicles to your PC's facing PDC. Do not scrap any airbags.</p>
TI Number	No. 35-23

Required parts

Please note that the removed airbag units must be returned.
