Correction:

If diagnostics lead to the replacement of the front identification lamp on the GMC HUMMER EV and GMC HUMMER EV SUV, please refer to the following:

U.S. Dealers

For Potential part replacement, Dealers within the U.S. should create a TAC case through Dealer Case Management (DCM) or contact the General Motors Technical Assistance Center (TAC) at 1-877-4-GMTACS (1-877-446-8227). Dealers must be ready to provide the following information when contacting TAC

- Dealer Code
- Vehicle Identification Number (VIN)
- Mileage
- Repair Order Number
- Results of Diagnosis TAC will make arrangements to ship the parts to your dealership.

Canada Dealers

GM Dealers within Canada should contact the General Motors Technical Assistance Center (TAC) at 1-800-263-7740 (English) or 1-800-263-7960 (French). Dealers must be ready to provide the following information when calling TAC.

- Dealer Code

- Vehicle Identification Number (VIN)
- Mileage
- Repair Order Number
- Results of Diagnosis TAC will make arrangements to ship the parts to your dealership.
