

GPOP - Issue Review System

Part Number: 68453654A\$, BBH6E001A\$

Part Description: PUMP, Auxiliary Coolant

Issue Description: If a vehicle exhibits a continuous parasitic battery drain traced back to the Aux Coolant pump, prior to replacing part please review the battery replacement/reconnection procedure where it requires the vehicle to be turned on for one minute (Key On Engine Off) then turned off to reset pump operation. Do not replace the Aux pump for this condition without performing this procedure.
