

Subject

MIL On with DTC P045600

Market

USA

Service Category

Engine/Hybrid System

Section

Fuel System

Applicability

23MY Corolla

APPLICABLE VEHICLES

2023

Corolla

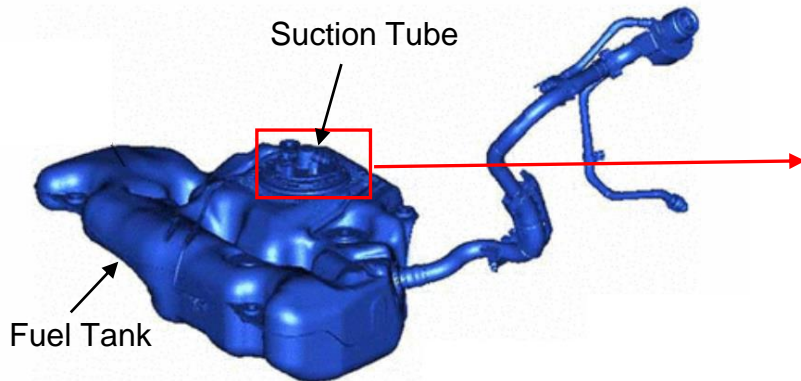

CONDITION

MIL On with DTC P045600

Evaporative Emission System Leak Detected (Very Small Leak)

RECOMMENDATIONS

- Refer to TIS to confirm the production date of the vehicle.
- If the vehicle is produced between May 4, 2023 and June 27, 2023, inspect for a potential source of vapor leak at the fuel tank to suction tube sealing surface.
