Newsletter 119: Mandatory Allocation	264	Page 1 of 2
Car Market	Issue Date	Status Date
United States and Canada	3/30/23	3/30/23

All tools have been classified as required and will be allocated and billed to all U.S. and Canadian retailers by Volvo.

All tool allocations and tool orders are being handled by the Volvo Parts Operations and the Volvo Parts Distribution Centers.

For all special tools in this newsletter valid methods are under development.

To carry out the repair method in a correct way special tools are required to be used in terms of quality, safety, and time.

Special tools pictured in this newsletter may be pictures of prototypes and may not represent what the distributed product will look like.

Charger for TCAM will ship prior to Pin Out Tool Kit.

9997835

Pin out tool for different connectors. it is planned to introduce an app in the year 2023. The App is designed for identification of wiring harness connectors using artificial Intelligence and to support the workshop technician to find correct spare parts and guide the user to the correct extraction tool. Apart from connector identification, the App provides pin-out- fly-lead information.
