

# Service Bulletin

Bulletin No.: 24-NA-007

Date: January, 2024

## TECHNICAL

**Subject:** Whine Noise from Transmission Area

Brand:	Model:	Model Year:		VIN Breakpoint:		Engine:	Transmission: (Automatic)
		from	to	from	to		
Chevrolet	Camaro	2024	2024	SOP	R0116012 R0116022 R0117604 R0119795 R0117710 R0118454 R0116576	6.2L (LT1, LT4)	MI2, MI4

<b>Involved Region or Country</b>	North America
<b>Condition</b>	<b>Important:</b> This bulletin only applies to the VINs listed above. Some customers may comment that a whine noise, similar to an electric golf cart, occurs in 1st, 2nd and 3rd gears. – <b>The noise should be most prominent in 2nd gear under steady throttle.</b> I
<b>Cause</b>	This condition may be caused by an internal transmission gear noise.
<b>Correction</b>	Replace the transmission assembly.

**Important:** Service agents must comply with all International, Federal, State, Provincial, and/or Local laws applicable to the activities it performs under this bulletin, including but not limited to handling, deploying, preparing, classifying, packaging, marking, labeling, and shipping dangerous goods. In the event of a conflict between the procedures set forth in this bulletin and the laws that apply to your dealership, you must follow those applicable laws.

### Service Procedure

Replace the transmission. Refer to *Transmission Replacement* in the Service Manual.

## Parts Information

**Note:** Only select the parts that coincide with the repair performed. Replace the part with the P/N outlined in the Electronic Parts Catalog (EPC) in accordance with the vehicle VIN.

## Warranty Information

For vehicles repaired under warranty, use:

Labor Operation	Description	Labor Time
8464670	Transmission Replacement	Use Published Labor Operation Time

Version	1
Modified	Released January 10, 2024

GM bulletins are intended for use by professional technicians, NOT a "do-it-yourselfer". They are written to inform these technicians of conditions that may occur on some vehicles, or to provide information that could assist in the proper service of a vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do a job properly and safely. If a condition is described, DO NOT assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your GM dealer for information on whether your vehicle may benefit from the information.
