SUBJECT: KJK8-32-110A Steering Gear Service Part Replacement

When placing an order for KJK8-32-110A as a service part replacement such as a collision repair, standard "over-the-counter" order, etc. The supplemental part K1Y0-32-FX8A (spring kit) must be replaced when installing the steering gear KJK8-32-110A.

MNAO will automatically add K1Y0-32-FX8A as a force shipped component when an order for KJK8-32-110A is placed. [Refer to Safety Recall 6524A repair documents in MGSS](#) for installation of the spring kit.

If KJK8-32-110A is being ordered due to steering issues based on a customer concern, please refer to [Safety Recall 6524A in MGSS](#) for immediate repair.
