This bulletin is no longer active.

To access infotainment software updates via the Infotainment Software Update Utility:

Select **SPECIALTY TOOLS**, and then select **Infotainment Software Updates** on the left side of ASIST.

HINT: Initially, the Infotainment Software Update Utility will be available only on the CONSULT PC version of ASIST. The Utility will be added to ASIST WEB at a later date.

Please discard previous versions of ITB23-010.
