

SSM 52243 Various Vehicles - 6-Speed Aisin (AW21) Automatic Transaxles - Motorcraft® Premium ATF Replaced By MERCON® V ATF As A Service Fluid

When performing any transmission fluid change or topperf involving Motorcraft® Premium ATF, MERCON® V has replaced all versions of Motorcraft® Premium ATF and can be used going forward. Mixing Motorcraft® Premium ATF and MERCON® V in the same transmission is acceptable. After 31-Jan-2024, Motorcraft® Premium ATF will no longer be manufactured and will only be available until inventory depletes.
