# Rapid Update 648 – STOP Field Action

DATE: January 22, 2024

Rapid Update #**648**, which was opened to carry out a check on the high-pressure fuel pump connector on certain Maserati Ghibli (M157), Levante (M161), and Quattroporte (M156) MY22 MY23 will be **closed starting from February 5th, 2024**, and claims received after that date will no longer be accepted.

**Reason:**

Upon further analysis, the impact of this anomaly has been significantly minimized, and therefore, it is no longer necessary to carry out this action.

Contact your Regional AfterSales Manager (RAM) or the Technical Support Helpdesk if you have any questions.

Thank You for your continued support and cooperation.
