

WPS9 Workshop Campaign - Re-programming thermal management (TME) control unit

WPS9 Workshop Campaign - Re-programming thermal management (TME) control unit

ID Number	WPS9
Models	Taycan (Y1A/Y1B/Y1C)
Model Years	2020 - 2024
VIN List	Attached
Number of Affected VINs	31,488
Issue Description	Optimized software is available for the thermal management (TME) control unit to increase the robustness of the electric passenger compartment heater. The thermal management (TME) software must therefore be updated on the affected vehicles.
What should Porsche Centers do?	Please arrange for this measure to be carried out as soon as possible on affected vehicles. As of the time of this posting (2/7/24) the remedy is now available.
TI Number	No. 208-23

Required software

PIWIS Tester 4 test software version	42.500.000 (or higher)
--------------------------------------	------------------------
