

2023 MY CORSAIR  
(SYNC)  
FPU 6.3.0

WHAT'S IN THIS UPDATE?

Lincoln Enhance 6.3.0

**There's some good stuff here.**

Record Feedback

Now you can share instant feedback with Lincoln by recording and sending voice feedback from the convenience of your vehicle. Available in the U.S. only.

Your feedback helps us advance the Lincoln experience. If you have a safety or service-related concern, please contact your retailer or Lincoln Concierge.

To get started, simply go to the Features tab in-vehicle and tap Record Feedback. We look forward to hearing from you.

Improvement to conditions not met alerts

With this update, you'll now receive new pop-up alerts to inform you when a condition is not being met so that you can take the required action to receive your vehicle software update.

SOFTWARE UPDATES

Now you can share instant feedback with Lincoln by recording and sending voice feedback from the convenience of your vehicle. Available in the U.S. only.

Your feedback helps us advance the Lincoln experience. If you have a safety or service-related concern, please contact your retailer or Lincoln Concierge.

To get started, simply go to the Features tab in-vehicle and tap Record Feedback. We look forward to hearing from you.

Improvement to conditions not met alerts

With this update, you'll now receive new pop-up alerts to inform you when a condition is not being met so that you can take the required action to receive your vehicle software update.

For a non-drivable update, conditions may include that your vehicle is parked, it's not running, all the lights are off, doors and trunk are closed, and you're not pressing the brake pedal.

Keeping you in the loop.

An adjustment has been made to enhance your vehicle screen.

Lincoln Enhance delivers software updates that are designed to make your Lincoln Corsair® SUV better over time.
