

## **SSM 52329 2020-2022 Corsair - HUD Does Not Allow The Projection Height To Be Adjusted**

Some 2020-2022 Corsair vehicles equipped with a head-up display (HUD) may exhibit a condition the display does not allow the projection height to be adjusted properly. Ford is aware of the concern and this condition does not affect vehicle durability and no additional diagnosis or service is required for this condition at this time. Inform customers that they can continue to drive the vehicle and engineering is currently working on a software solution for this condition that is expected by the end of April 2024. Replacement/reprogramming of the HUD will not resolve this condition. Monitor OASIS for additional information and schedule a service appointments for customers once the repair becomes available.
