**(ACTION REQUIRED)**

This message is solely directed to Honda dealership personnel; please handle it accordingly.  
 Print this iN message and provide a copy to the Shop Foreman and all Service Advisors.

**Background**

American Honda Motor Co., Inc. (AHM) is searching for certain 2023-2024 CR-Vs with a customer complaint of the drip mold not set, detaching or loose. To better understand the cause of this condition, AHM would like to inspect the vehicle before you attempt a repair of any kind.

**Qualifiers**

AHM is interested ONLY if the vehicle meets the following requirements:

- VIN must start with 7FA.
- Must be able to visually confirm the drip mold not set, detaching or loose condition (take 1 wide-angle & 1 close-up photos).
- Vehicle has not been involved in a collision.
- No repair has been attempted for this issue.

**Action Required**

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at [tis@ahm.honda.com](mailto:tis@ahm.honda.com), or call us at 800-880-1072 (Monday-Friday, 7am-5pm PST). TIS will need to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

- Model Year (e.g. 2023)
- Model Name (e.g. Accord)
- Issue (e.g. Brake Judder)
- VIN

E-Mail Body:

- Dealer Number
- Your Name
- Best Phone Number to be Reached
- Current Mileage
- DPTS#

As a gesture of appreciation to the dealer personnel who identify and report a vehicle that meets the qualifiers, is accepted as a candidate and is the subject of a successful Dealer Visit/Parts Collection/Info Collection, AHM will provide the referring dealer personnel with a **VISA gift card**. Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
