ATTENTION: ALL DEALER PRINCIPALS

Kia America, Inc. is conducting a Voluntary Service Campaign on 15 units of 2024 MY K5 vehicles, manufactured from November 30, 2023 through December 10, 2023, equipped with AVN 5.0 Wide head units.

Due to an internal GPS circuit failure, the GPS system may not operate normally when the MAP feature is used. The customer may experience the GPS showing an incorrect location on the navigation screen and/or the clock may display dashed lines.

Dealers will replace the AVN 5.0 Wide head unit with a new one. This campaign will be performed free of charge at no cost to the customer.

Your Service Manager was sent a copy of the owner notification letter and a Q&A Guide both of which describe the issue and information on how to access the list of affected vehicles. Kia will start mailing notices to the affected vehicle owners beginning on **April 5, 2024**.

What Should You Do?

Please make personnel in your dealership familiar with the details of this Voluntary Service Campaign so they may respond to customer inquiries and requests appropriately.
