## CUSTOMER SUPPORT PROGRAM 24LE01

### Certain 2014 - 2017 Model Year CT 200h Coverage for Brake Booster and Brake Booster Pump Assemblies

Model / Years	Production Period	Approximate Total Vehicles
2014-2017 Model Year CT200h	Early September 2013-Early April 2017	43,800

In our continuing efforts to ensure the best in guest satisfaction, Lexus is announcing a Customer Support Program to provide coverage for Brake Booster and Brake Booster Pump Assemblies on certain 2014 - 2017 Model Year CT200h Vehicles.

#### **Background**

Although the Brake Booster and Brake Booster Pump Assembly are covered by Lexus's New Vehicle Limited Warranty for 4 years or 50,000 miles (whichever comes first), we at Lexus care about the guests' ownership experience. Lexus is providing coverage for repairs in the subject vehicles related to certain internal malfunctions of the Brake Booster Pump Assembly and/or Brake Booster, depending on the model.

The following information is provided to inform you and your staff of the program notification schedule and your degree of involvement.

#### **Customer Support Program Details**

This Customer Support Program provides coverage as it applies to Brake Booster Pump Assembly and/or Brake Booster on certain 2014 - 2017 Model Year CT200h Vehicles. The specific condition covered by this program is related to certain internal malfunctions of the Brake Booster Assembly. One or more of the following specific Diagnostic Trouble Codes (DTCs) C1391, C1252, C1253 or C1256 will be stored in the vehicles memory to be used as verification. If the condition is verified, the vehicle will be repaired with a new Brake Booster Pump Assembly and/or Brake Booster under the terms of this Customer Support Program.

- The **Primary Coverage** will be offered until March 31, 2025, regardless of mileage.
- After the Primary Coverage, the **Secondary Coverage** is applicable for 10 years or 150,000 miles from the date of first use, whichever comes first.

*This coverage is for work performed at an authorized Lexus dealer only. It is subject to the same terms and conditions set forth in the New Vehicle Limited Warranty Section of the Owner's Warranty Information booklet. For example, damage from abuse, an accident, theft and/or vandalism is not covered.*

#### **Covered Vehicles**

There are approximately 43,800 vehicles covered by this Customer Support Program. Approximately 40 vehicles involved in this Customer Support Program were distributed to Puerto Rico.

#### **Owner Letter Mailing Date**

Lexus will begin to notify owners in late March 2024 and will be mailed over several months. A sample of the owner notification letter has been included for your reference.

## Guest Handling, Parts Ordering, and Remedy Procedures

### Guest Contacts

Guests who receive the owner letter may contact your dealership with questions regarding the letter and/or the Customer Support Program. Please welcome them to your dealership and answer any questions that they may have. A Q&A is provided to assure a consistent message is communicated.

Guests with additional questions or concerns are asked to please contact the Lexus Brand Engagement Center (1-800-255-3987) - Monday through Friday, 8:00 am to 8:00 pm, Saturday 9:00 am to 7:00 pm Eastern Time.

### Salvage Title Vehicles

There is no New Vehicle Limited Warranty coverage or non-emission CSP coverage for vehicles that have been branded as salvage, total loss, true mileage unknown, or similar title under any state's law. Nonetheless, every attempt should be made to complete an open emission related CSP when circumstances permit, unless noted otherwise in the CSP dealer letter.

- This CSP **IS NOT** emission related; therefore, vehicles branded as salvage, total loss, true mileage unknown, or similar title **are NOT ELIGIBLE** for coverage under this CSP.

For complete details on this policy, refer to Lexus Warranty Policy [4.17](#), "What Is Not Covered by The Lexus New Vehicle Limited Warranty".

### Guest Marketing

Direct marketing of this Customer Support Program is strictly prohibited pursuant to the Lexus Warranty Policy [5.22](#), "Warranty Solicitation." Non-compliance of this policy may result in a claim debit.

### Media Contacts

It is imperative that all media contacts (local and national) receive a consistent message. In this regard, all media contacts must be directed to Joshua Burns (469) 292-6449 in Lexus Corporate Communications. Please do not provide this number to guests. Please provide this contact only to media.

### Parts Ordering Process

It is possible that parts for this campaign are either required to be ordered in Campaign Part Order Request (CPOR) on Service Lane or have been placed on Manual Allocation Control (MAC) due to potential limited part availability. Please check the CPOR/MAC report on Dealer Daily for the most up-to-date parts ordering information. Dealers can identify which parts ordering method to use by reviewing the parts information section of Dealer Daily and checking for a MAC code on the part numbers below. For MAC code C, order through CPOR. For MAC code D, refer to the MAC report for further instructions.

As this is a Customer Support Program, the condition **MUST** be verified by inspecting the vehicle. Therefore, dealers **SHOULD NOT** increase their stock of related repair parts. **Dealers are requested to only order parts for vehicles experiencing this condition only. DO NOT ORDER FOR STOCK.** As always, if a guest experiences the condition described, dealers should conduct appropriate diagnosis and order the applicable parts.

Model	Model Year	Part Name	Part Number
CT200h	2014-2015	Cylinder Kit, Brake Master W/Fluid	Refer to TSB
	2015-2017		
	2014-2017	Pump Assy, Brake Booster W/ Accumulator	Refer to TSB

All Customer Support Program (CSP) parts are eligible for the Monthly Parts Return Program. Please refer to PANT Bulletin [2011-087](#) for campaign parts that are currently returnable under the Monthly Parts Return Program and for additional details.

**Technician Training Requirements**

The repair quality of covered vehicles is extremely important to Lexus. All dealership technicians performing this repair are required to successfully complete the most current version of the E-Learning course "Safety Recall and Service Campaign Essentials". To ensure that all vehicles have the repair performed correctly; technicians performing this recall repair are required to currently have completed all of the following courses:

- LIC209A - Electrified Vehicle Powertrain Repair
- T5537 - Brake Systems

It is the dealership's responsibility to select technicians that have completed the above courses to perform this recall repair. Carefully review your resources, the technician skill level, and ability before assigning technicians to this repair. It is important to consider technician days off and vacation schedules to ensure there are properly trained technicians available to perform this repair at all times.

***NOTE: Claims for repairs that were performed by non-qualified technicians are subject to debit.***

**Remedy Procedures**

Technical instructions for this Customer Support Program can be found in: [L-SB-0008-24](#)

**Parts Recovery Procedures**

All parts replaced as part of this Customer Support Program must be turned over to the parts department until appropriate disposition is determined. The parts department must retain these parts until notification via the Parts Recovery System (PRS) is received indicating whether to ship or scrap the parts. These parts are utilized by various departments for defect analysis, quality control analysis, product evaluation, as well as other purposes.

To help minimize dealer storage challenges, Lexus recommends that dealers:

- File the campaign claim accurately and promptly. The time a dealer is required to hold parts is based on when the campaign claim is paid by Lexus.
- Monitor the Warranty Parts Recovery Notifications and Part Scrap Report regularly.

Refer to Warranty Policies [9.3](#) and [9.6](#) for additional details.

## Warranty Reimbursement Procedures

**Reimbursement Procedure**

**NOTE:** If the vehicle is still under the New Vehicle Limited Warranty, submit the repair as a **Regular** warranty claim.

Op Code	Description	Flat Rate Hours
24LE01R1	Replace the Brake Booster Assembly + Brake Pump Assembly	5.1

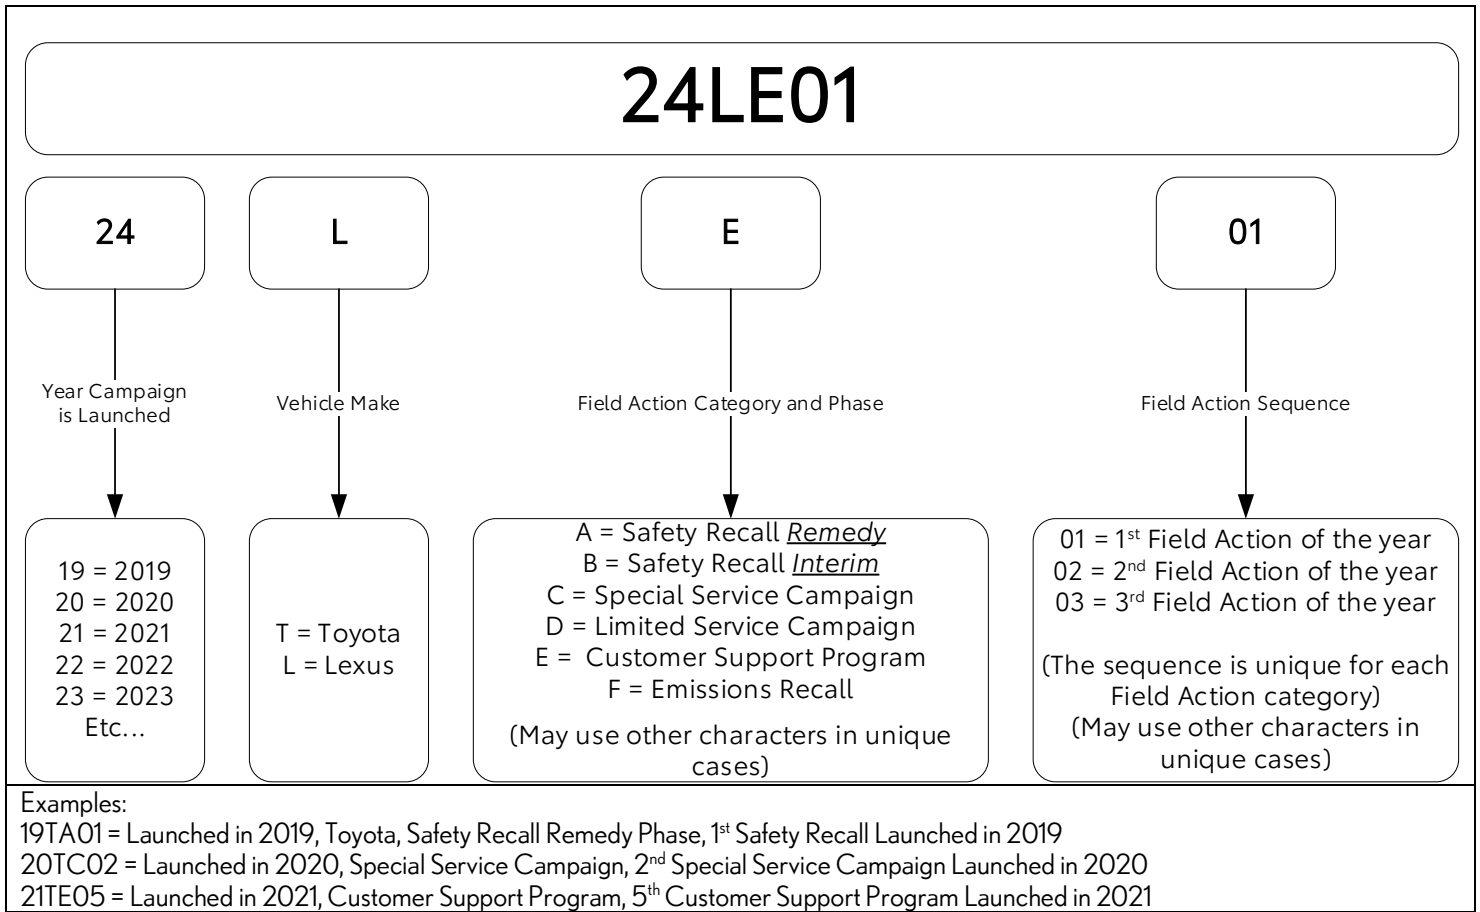

**Claim Filing Accuracy and Correction Requests**

It is the dealer's responsibility to file claims correctly for this Customer Support Program. This claim filing information is used by Lexus for various government reporting activities; therefore, claim filing accuracy is crucial. If it has been identified that a claim has been filed using an incorrect Op Code or a claim has been filed for an incorrect VIN, refer to Warranty Procedure Bulletin [PRO17-03](#) to correct the claim.

**Guest Reimbursement**

Reimbursement consideration instructions will be included in the owner letter.
