Background

American Honda Motor Co., Inc. (AHM) is searching for certain 2023-2024 MDXs with a client complaint of suspension noise coming from the front of the vehicle when turning left and/or right. To better understand the cause of this condition, AHM would like to collect specific information from the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. Production date on the driver's door jamb must be AFTER 01/23.
2. Noise must occur while turning.
3. If possible, utilize Chassis ears to pin-point the noise source.
4. Must be able to consistently duplicate the noise.
5. The vehicle has not been in a collision.
6. No repair has been attempted for this issue.

Action Required

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at tis@ahm.honda.com, or call us at 800-880-1072 (Monday-Friday, 7am-5pm PST). TIS will need to record certain vehicle information and provide you with further instructions.

Please be sure to include the following information in your e-mail.

E-mail Title:

1. Model Year (e.g. 2024)
2. Model Name (e.g. TLX)
3. Issue (e.g. Brake Judder)

As a gesture of appreciation to the dealer personnel who identify and report a vehicle that meets the qualifiers, is accepted as a candidate and is the subject of a successful Dealer Visit/Parts Collection/Info Collection, AHM will provide the referring personnel with a **VISA gift card**. Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
