## APPLICABLE MODEL(S)/VINS:

2019-2024 Mazda3	2021-2023 CX-9	2024 CX-90
2020-2024 CX-30	2022-2023 MX-30	2024 MX-5
2021-2024 CX-5	2023-2024 CX-50	2025 CX-70

## DESCRIPTION

Some customers may complain about any of the following:

1. Infotainment Center Display does not provide the Authorization Code (OTP) during the MyMazda App Connected Vehicle enrollment.
2. Remote function(s) inoperative.

- Engine Start / Stop
- Door Lock / Unlock
- Lights ON / OFF
- Climate Control

3. MAZDA CONNECT connected vehicle reception strength icon shows "X" or "\".

**Remote Engine Start Will Not Function under the following conditions**

Item	Condition
1	Remote Engine Start function is not available on EV and PHEV (inline 4) models. See <a href="#">SA-038/23</a>
2	Vehicle battery voltage low
3	Automatic Transmission shift position except "P"
4	Vehicles equipped with manual transmission
5	Vehicle speed above 3 mi/h (5 km/h)
6	Brake pedal switch malfunction
7	Engine has been running by remote engine start function
8	Engine started by remote engine start more than 2 consecutive times while the vehicle is not driven. The vehicle must be driven 1-mile or 24-hours must pass from the last successful Remote Engine Start for the use count to reset.
9	2021 Mazda3, 2021 CX-30, CX-50, MX-30: Vehicle's electrical control area network (CAN) is in "Sleep Mode" 
10	A registered key is detected in the vehicle
11	Brake pedal switch detects brake application
12	Low fuel warning 
13	Engine starts, then turns OFF due to abnormal high engine rpm detected. (Engine rotation over 3000 rpm continued for more than 0.2[s])
14	No engine rpm detected after sending engine start request. (Engine rotation 0 rpm continued for more than 0.2[s])
15	When the CAN data signal for engine shut off is present (e.g.: door ajar signal)
16	After 10 second maximum cranking time
17	Burglar alarm status is "Alarm" and "Alarm stand by" (CAUTION - DO NOT enable, see Theft-Deterrent System section in <a href="#">SA-012/20</a> )
18	Room fuse blown/missing
19	Connected Vehicle Maintenance Mode enabled (Restricted Transmitting Mode in MDARS)

**CONSUMER NOTICE:** The information and instructions in this bulletin are intended for use by skilled technicians. Mazda technicians utilize the proper tools/ equipment and take training to correctly and safely maintain Mazda vehicles. These instructions should not be performed by "do-it-yourselfers." Customers should not assume this bulletin applies to their vehicle or that their vehicle will develop the described concern. 		No reception

**PREPARATION:**

1. Confirm that the Telematics Communication Unit (TCU) is at the latest software level. Go to [Telematics Communication Unit \(TCU\) Updates](#)
2. Go to [eMDCS Vehicle Inquiry](#) and confirm the following campains are not shown or closed:

- CSP06
- CSP07
- SSPC7
- DRW41

3. Go to [eMDCS Vehicle Inquiry](#) and confirm CSP04 is not shown.
4. **If Hotline assistance is needed, please fill out the [Dealer Connected Vehicle Questionnaire](#) before contacting Hotline. The questionnaire collects data needed by Hotline agent.**
5. In most cases, the customer will not leave their device with you for troubleshooting, therefore a connected vehicle take-over is necessary. Use your personal device or dealer supplied device for troubleshooting. Go to [Enrollment](#).

- At customer pick-up, inform customer to re-enroll into Connected Services as a new primary user.

6. Confirm the customer's phone and vehicle have good to strong reception during the concern as shown in the table below.

- If the reception icon shows "X", the TCU is deactivated. Enrollment is not possible. Go to [TCU Activation](#).

**CONSUMER NOTICE:** The information and instructions in this bulletin are intended for use by skilled technicians. Mazda technicians utilize the proper tools/ equipment and take training to correctly and safely maintain Mazda vehicles. These instructions should not be performed by "do-it-yourselfers." Customers should not assume this bulletin applies to their vehicle or that their vehicle will develop the described concern. To determine if the information applies, customers should contact their nearest authorized Mazda dealership. Mazda North American Operations reserves the right to alter the specifications and contents of this bulletin without obligation or advance notice. All rights reserved. No part of this bulletin may be reproduced in any form or by any means, electronic or mechanical---including photocopying and recording and the use of any kind of information storage and retrieval system ---without permission in writing.

- Customer/Dealer can activate CV services anytime via MyMazda app
  - Customer - There might be a slight delay in making the backend connection since it was temporarily deactivated.
  - Dealer - Go to **TCU Activation**
- If the reception icon shows " \ ", move the vehicle to an area with a clear view of the sky.

- If the reception is weak, move the vehicle to a location where the reception is good to strong as shown in the table, then try to get the Authorization Code and/or operate the remote functions before proceeding to the Repair Procedure if there is still an issue.
- If the reception is good to strong, proceed to Connected Vehicle Troubleshooting below.

**NOTE:** Vehicles stored for long periods may lose GPS clock synchronization. If the vehicle is stored for a long period, test drive the vehicle to give the GPS clock time to synchronize before enrolling or testing connected vehicle functions.

Enrollment is not possible. Go to [TCU Activation](#).

**Note:** Use MCVV to check OTP status. Go to [Mazda Connected Vehicle Viewer \(MCVV\) One Time Passcode \(OTP\) Troubleshooting](#)

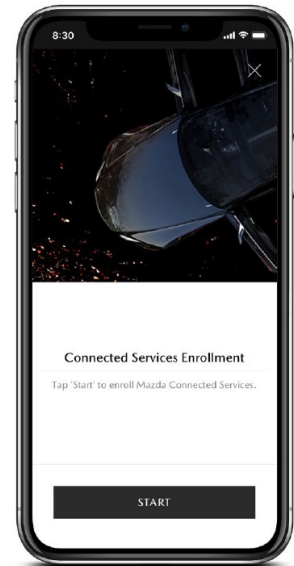

- Reception strength icon shows "X". Move the vehicle to an area with a clear view of the sky.

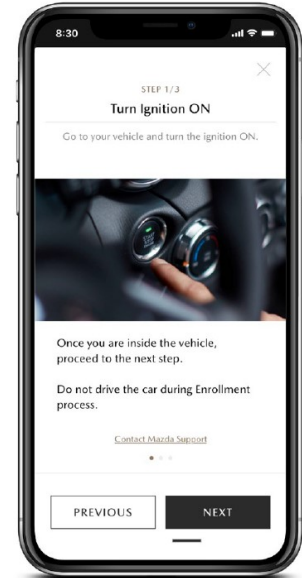

**Enrollment**

1. After registering for a MyMazda account, the Select Vehicle screen will appear. Tap "Add Vehicle" and follow the onscreen instructions to add your vehicle.
2. To enroll in Connected Services, tap "Enroll" on the "My Vehicles" screen.
3. On the Connected Services Enrollment screen, tap Start to begin the enrollment process.

**CONSUMER NOTICE:** The information and instructions in this bulletin are intended for use by skilled technicians. Mazda technicians utilize the proper tools/ equipment and take training to correctly and safely maintain Mazda vehicles. These instructions should not be performed by "do-it-yourselfers." Customers should not assume this bulletin applies to their vehicle or that their vehicle will develop the described concern. To determine if the information applies, customers should contact their nearest authorized Mazda dealership. Mazda North American Operations reserves the right to alter the specifications and contents of this bulletin without obligation or advance notice. All rights reserved. No part of this bulletin may be reproduced in any form or by any means, electronic or mechanical--including photocopying and recording and the use of any kind of information storage and retrieval system ---without permission in writing.

4. Switch the ignition ON in your Mazda vehicle.
5. Wait 30 seconds.
6. Tap Next.

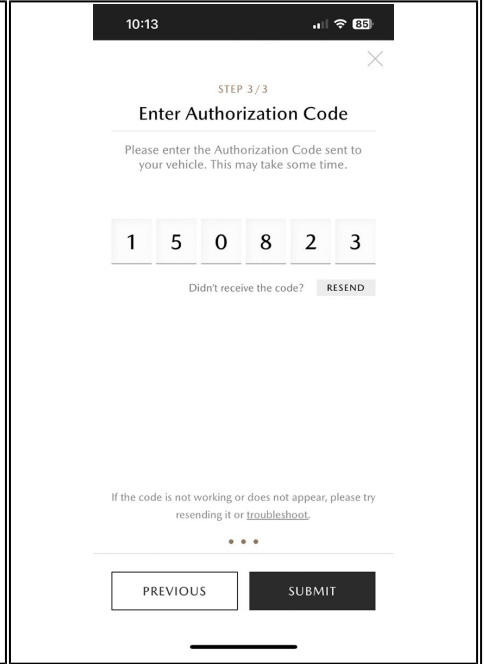

7. Tap Request to receive authorization code on your vehicle's Mazda Connect center display.
- Wait a few minutes for the infotainment center display to show the Authorization Code.

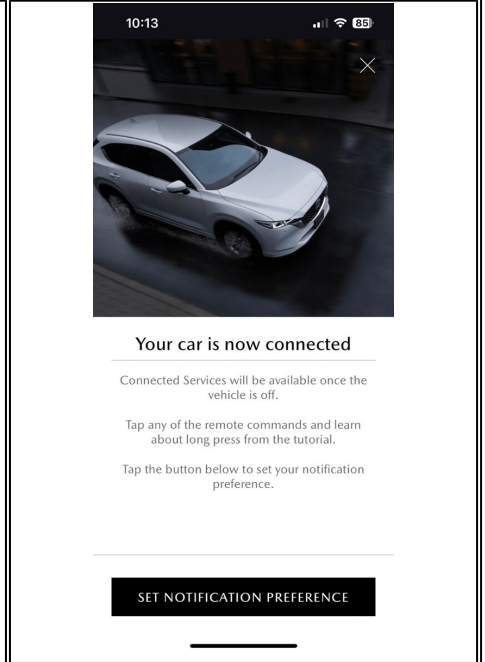

**CONSUMER NOTICE:** The information and instructions in this bulletin are intended for use by skilled technicians. Mazda technicians utilize the proper tools/ equipment and take training to correctly and safely maintain Mazda vehicles. These instructions should not be performed by "do-it-yourselfers." Customers should not assume this bulletin applies to their vehicle or that their vehicle will develop the described concern. To determine if the information applies, customers should contact their nearest authorized Mazda dealership. Mazda North American Operations reserves the right to alter the specifications and contents of this bulletin without obligation or advance notice. All rights reserved. No part of this bulletin may be reproduced in any form or by any means, electronic or mechanical---including photocopying and recording and the use of any kind of information storage and retrieval system ---without permission in writing.

8. After a few minutes, the infotainment center display will show the Authorization Code. Enter the authorization code in the MyMazda app, then tap Submit.

9. After enrollment is successfully processed and the vehicle is connected, you will receive a push notification.

OTP Troubleshooting

1. Check reception strength icon:

-  - Go to Step 2.

**CONSUMER NOTICE:** The information and instructions in this bulletin are intended for use by skilled technicians. Mazda technicians utilize the proper tools/ equipment and take training to correctly and safely maintain Mazda vehicles. These instructions should not be performed by "do-it-yourselfers." Customers should not assume this bulletin applies to their vehicle or that their vehicle will develop the described concern. - - Go to [MCVV OTP Troubleshooting](#)

2. Use MDARS to ID the vehicle and check for DTC's stored. Are DTC(s) stored?

- Yes - Go to MGSS and perform normal DTC diagnostics.
- No - Perform [ODR Data Collection](#) Procedure, then go to step 3.

3. Confirm TCU software version. Go to [Telematics Communication Unit \(TCU\) Updates](#)

4. 2019 Mazda3 Only - Confirm [CMU software version](#) is at 11012 or later.

5. Retrieve MAZDA CONNECT CMU log data. Go to MGSS -> Infotainment -> [MAZDA CONNECT CMU Data Retrieval](#)

6. Perform "[Activating Remote Control by Smart Phone](#)" (links TCU to BCM)

7. Clear DTC(s).

**NOTE:** If DTC 2050:55 is stored, go to [SA-003/20](#) to clear DTC.

8. Check [TCU Remote Service Flag Information](#)

- Remote Service Flag Information 1101... - go to step 9.
- Remote Service Flag Information 0000... - go to step 10.

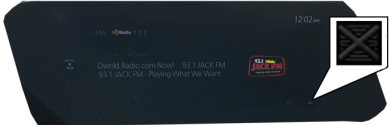

9. Disconnect 12V battery for 5-10 minutes, then retry connected vehicle enrollment.

**NOTE:** Test drive vehicle after battery disconnect to allow the GPS clock to synchronize before retrying Authorization Code.

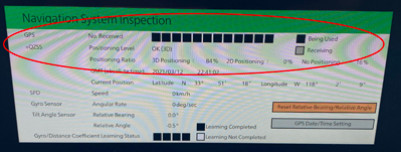

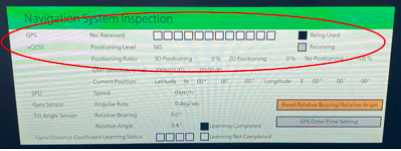

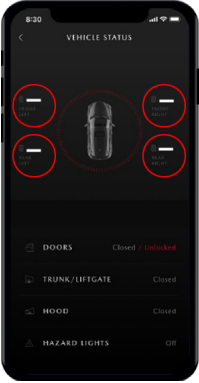

10. Fill out [Dealer Connected Vehicle Questionnaire](#)

11. Contact Hotline for additional technical support if needed.
