DATE: February 21, 2024
TO: E-ONE Customers and Dealers
FROM: Kevin Kearns, Customer Service Manager
SUBJECT: Valeo TM-31 Compressor- Clutch Center Bolt Torque Inspection

Dear E-ONE Customers and Dealers:

E-ONE has been contacted by Valeo Compressors, concerning the possibility of the clutch center bolt possibly not being tightened properly (see attached Valeo instructions).

Please inspect all E-ONE custom apparatus that you have received from December 1, 2023 to present, for this condition.

If you have any questions, regarding this. Please contact E-ONE Technical Support at (352) 237-1122.

Regards,
Kevin Kearns
