Product Change Notice - Terminal covers for battery cables discontinued

Dear Valued Customer:

Please be advised, due to supply constraints Lippert intends to permanently discontinue the terminal covers for 40 amp battery cables (PN 2020121100) for hydraulic power units.

There is no change to the installation or functionality of the cable with the removal of the temporary covers. There is no cost change and no part number change. The change will take place on a running basis, starting immediately.

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

Tyler Nine
