

Two Piece Closet Travel Latch

Complaint :

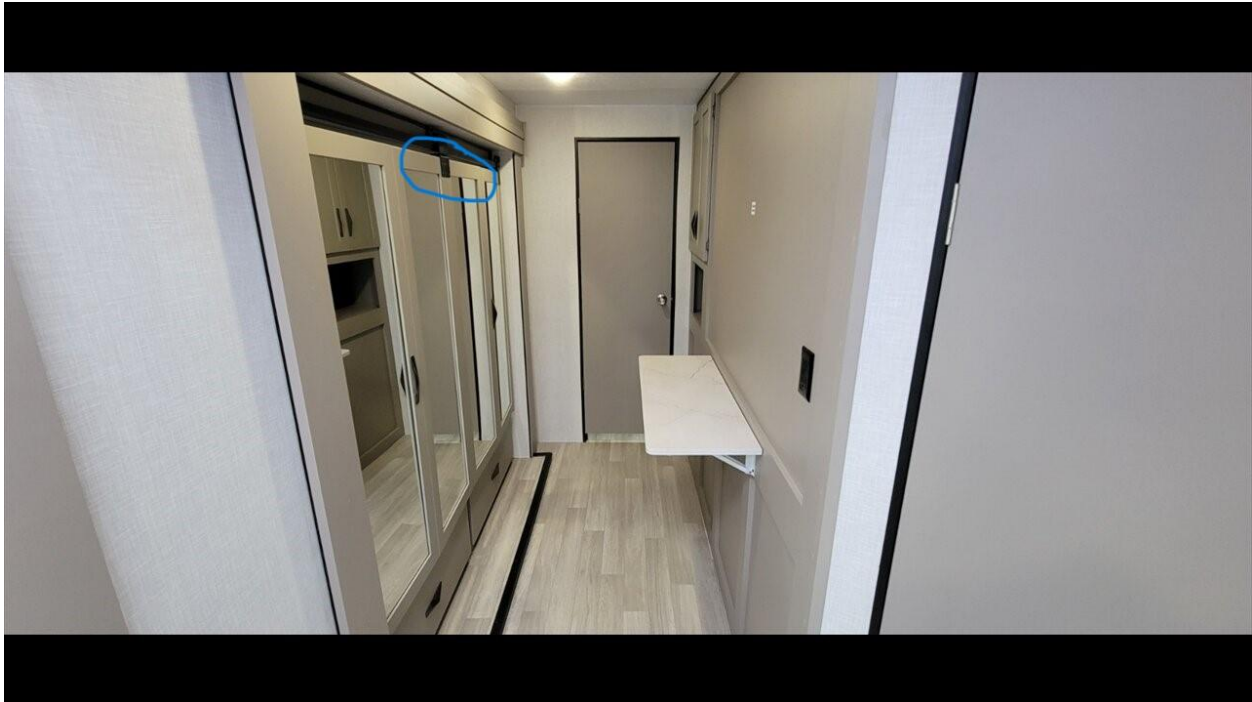

On this new floor plan KZ Connect C312 BRK the bunk room has barn style doors with no way to secure or latch them. They will not stay closed during transport. The black bracket has a magnet to hold the doors together, but it's not strong enough to keep them closed.

Correction :

Add a two piece travel latch to secure the doors during travel. See attached picture.

Travel latches will be sent to your dealership and a claim can be made for the installation.
