

SSM 52432 2024 Nautilus - 2.0L EcoBoost-Hybrid - Fuel Injector Replacement

On 2024 Nautilus 2.0L EcoBoost-Hybrid vehicles, if engine damage or drivability diagnosis leads to replacement of any fuel injector assemblies, replace all 4 fuel injector assemblies along with other necessary repairs. Refer to Workshop Manual, Section 303-04B. Engineering is currently investigating this concern. Monitor OASIS for further updates.
