Offboard Diagnostic Information System Service (ODIS Service) Number: AOS-24-31

Subject: 2025 Q7 Not in ODIS

Date: Apr. 17, 2024

To All Dealer Partners,

When scanning a 2025 Q7 in ODIS, the vehicle will not show up. You will need to build the vehicle manually using the 2024 Q7. This will be required to fix and repair the vehicle. Both year models are the same, so this will not be an issue.

The Q7 2025 model year will be available in ODIS during Calendar Week 20, which is mid-May 2024
