

2022 MY F150 Lightning
(SYNC)
23 PU1005-FRK-CLS

Priority Update

Software updates are designed to help make your vehicle better over time.

23-PU1005-FRK-CLS

1

Zone Lighting

If equipped, this update allows you to turn your exterior vehicle lights ON and OFF either remotely using the FordPass® App or in-vehicle with the center screen controls.
