

SSM 52544 2024 Expedition/Navigator - Keyless Entry Keypad Code Card Missing - Built On Or After 14-May-2024

2024 Expedition/Navigator vehicles built on or after 14-May-2024 may incorrectly list the keyless entry keypad code card on the loose item checklist. 2024 Expedition/Navigator vehicles built on or after 14-May-2024 do not include keyless entry keypad code cards. Customers are now able to retrieve the vehicle's keyless entry keypad master access code in vehicle by following the instructions in the Owner's Manual > Keyless Entry Keypad Master Access Code. This process requires the use of two programmed intelligent access keys.
