

SSM 52548 Various Vehicles - 10R80/10R80 MHT/10R100/10R140 Seal Kits Have Changed And Will No Longer Include The 2 Wheel Drive (2WD) Seals In The Kit

Various vehicles equipped with 10R80/10R80 MHT/10R100/10R140 transmissions may require replacement of the seal kits (7153) when internal repairs are being performed. These kits come with 4 wheel drive (4WD) seals and will no longer include the 2WD seals. When working on a 2WD vehicle, any 2WD seals must be ordered separately. Refer to the parts catalog for the proper 2WD seals required.
