**2017-2020 MY KIA CADENZA VEHICLES  
HIGH-PRESSURE FUEL PUMP  
NEW VEHICLE LIMITED WARRANTY EXTENSION**

**PLEASE KEEP THIS LETTER IN THE GLOVEBOX OF THE VEHICLE**

May 24, 2024

Dear Kia Cadenza Owner:

Kia America, Inc. takes pride in providing you with high-quality and dependable vehicles. In order to maintain these standards, **Kia is extending the New Vehicle Limited Warranty coverage, to all owners, for the high-pressure fuel pump in 2017-2020 MY Cadenza vehicles from 5 years / 60,000 miles to 15 years / 180,000 miles, whichever comes first, starting from the date the vehicle was first put into service.** The fuel control valve (FCV) plunger in your vehicle's high-pressure fuel pump may wear unevenly, and, over time, become stuck in the open position. If this condition occurs, your vehicle may experience rough running, engine hesitation, and/or illumination of the 'Malfunction Indicator Lamp' (MIL) . In rare cases, the engine may shut off while the vehicle is at a stop, although it can be immediately restarted (after shifting into Neutral or Park).

**Warranty Extension Coverage:**

- If, at any time within the extended warranty period, your vehicle experiences rough running, engine hesitation, and/or illumination of the MIL, and/or engine shut-off while at a stop, your authorized Kia dealership will **diagnose the cause free of charge at no cost to you.**
- Dealers will inspect the vehicle and check for DTC P0088 (Fuel Rail/System Pressure Too High). If this DTC is determined to be caused by the high-pressure fuel pump, the dealer will replace the pump with a new one **free of charge at no cost to you** under this warranty extension.
- **If diagnosis reveals that your vehicle has an unrelated issue(s), any necessary repairs will NOT be covered under this warranty extension** and your dealer will advise you what the associated repair cost(s) will be if no warranty coverage applies.
- This extension to Kia's New Vehicle Limited Warranty does not alter the limitations and exclusions contained in that New Vehicle Limited Warranty including abuse, neglect, or external damage.

**What Should You Do?**

- Unless your vehicle experiences rough running, engine hesitation, and/or illumination of the MIL, you DO NOT need to bring your vehicle to a Kia dealership for the purpose of this warranty extension.
- However, if you do experience the above concern, please contact an authorized Kia dealership to make an appointment to have your vehicle diagnosed at no cost to you.
- To find your nearest dealer, visit [www.kia.com](http://www.kia.com) and click the "Find Dealer" button in the upper right corner ("Dealers" on a mobile device).
