

SSM 52567 Various Vehicles - Select Shift CFT-30 Continuously Variable Transmission (CVT) - Replacement Fluids

Motorcraft® Continuously Variable Chain-Type Transmission Fluid (XT-7-QCFT in non-Canadian markets, CXT-7-LCF12 in Canada) is no longer manufactured and will only be available until inventory depletes. The recommended replacement fluids are Phillips 66 VersaTrans® CVT Plus Fluid or Kendall VersaTrans® CVT Plus Fluid. Mixing Motorcraft® CVT fluid (blue-green color) with these replacement fluids (red color) in the same transmission is acceptable.
