

SSM 52568 2024 Nautilus - 2.0L EcoBoost-Hybrid - Direct Fuel Injector Replacement

On 2024 Nautilus 2.0L EcoBoost-Hybrid vehicles, if engine damage or drivability diagnosis leads to replacement of any direct fuel injector assemblies, replace all 4 direct fuel injectors along with other necessary repairs. Refer to Workshop Manual, Section 303-04B Direct Injection Fuel Rail Removal and Installation for the procedure on replacement of the direct injectors. Do not replace the port fuel injectors for this condition.
