REFERENCE NO: RF-24-06

DATE: 05/13/2024

SUBJECT: CX-90 & CX-70 Valve Body Oil Pipe O-Rings

When replacing the valve body for the CX-90 or CX-90 Inline 6, please note that the pipes are not included in the valve body assembly. They are only provided with the transmission assembly.

If the O-ring pipes are needing to be replaced, they are only available for purchase as a separate component.

Part Number	Description
RZ01-19-852	Ring, O
