

2022-2023 MY EXPEDITION
(TCU)
TCU-24.2.4.8

Priority Update - Connectivity

Software updates are designed to help make your vehicle better over time.
TCU-24.2.4.8

1

Improved Network Connectivity

- We've enhanced your vehicle's ability to have a more reliable and robust communication link to provide a more seamless connected vehicle experience, whether it's for navigation, entertainment, or receiving important vehicle updates.
