Product Change Notice - Road Armor and Equa-Flex Color Change

Dear Valued Customer:

Please be advised, to streamline the production process and improve product performance, Lippert intends to change the finish on our Road Armor and Equa-Flex equalizers to a gloss black powdercoat over an E-coating.

Current equalizer colors are blue, yellow and red. Blue and yellow will change to black. Red will remain the same.

The new coating has passed salt spray, UV and MEK testing. Test reports are available upon request.

The change will be made on or around May 1 on a running basis.

Red not changing

Current

New

Current

New

There is no change in installation or operation with the coating change. There is no price change and no part number change.
Part Numbers affected are:

- 643381- Road Armor
- 159401 - Equa-Flex

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

Tyler Nine
