

## SERVICE ACTIONS N892/H490 – ENGINE OIL AND FILTER CHANGE

### OWNER NOTIFED PROGRAMS N892/H490 - ENGINE OIL AND FILTER CHANGE

AFFECTED MODELS	Certain 21MY Onwards Defender, Discovery, Discovery Sport, Range Rover Evoque, Range Rover Velar, Jaguar E-PACE, Jaguar F-PACE WITH 2.0L I4 Ingenium gasoline engines
VOLUME AFFECTED	USA only, Land Rover 725 - Jaguar 188
REPAIR	The engine oil and filter are to be replaced.
REPAIR TIME	0.3 hrs + DIDO
CAMPAIGN LAUNCH	Repair launched April 30th, 2024
NOTES	Vehicle connected data using a new remote diagnostic technology has predicted that the driving style of the affected vehicles may cause the engine oil quality to degrade at a faster rate than for the regular service interval. This is a one-time complementary oil and filter change to prolong the life of engine valve timing components and is in addition to the regular service intervals.
