Dear (Name):

This letter is to inform you that the warranty period on your vehicle's Transmission has been extended to unlimited years / unlimited miles. This warranty extension on the Transmission applies to certain 2017 - 2023 Chrysler Pacifica vehicles. Our records show that you either own or lease one of the vehicles affected by this warranty extension.

We are extending the warranty period on the Transmission because some of the vehicles within the above referenced population may go into a limp mode and there may be a Malfunction Indicator Lamp (MIL) illumination. If you are experiencing this condition now, or if you experience them in the future, simply contact your dealer to have the appropriate repairs performed. **Conversely, if you do not experience this condition, then your Transmission is operating correctly and no repair is necessary.**

If you have already experienced this condition and previously paid for a repair, you may be eligible to receive a reimbursement. Visit www.fcarecallreimbursement.com to submit an online reimbursement request. You may also complete the enclosed Customer Reimbursement Claim Form and send your original receipts, invoices and/or repair order to the following address for reimbursement. Your claim will be acted upon within 60 days of receipt:
