# Product Range Contents Modification

DATE: June 5, 2024

This Technical bulletin has been released to inform the dealers about feature/content modifications of Maserati vehicles and to ensure that such changes are not mistakenly interpreted as anomalies or inconsistencies in the expected vehicle configuration.

**NOTE:** Any eventual warranty claims related after this release will not be approvable and could be subjected to Warranty review/rejection.

## **Ghibli, Quattroporte and Levante**

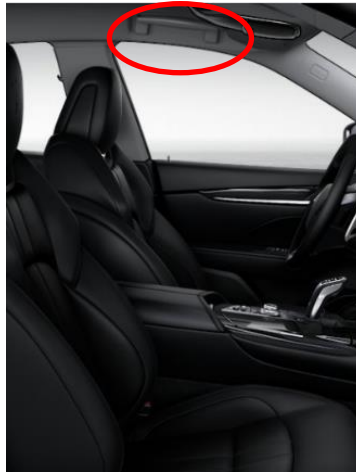

- **Starting from the MY23 production:** Keyless Entry (OPT 7K7) reduces the functionality exclusively to the driver's door. The OPT 5IX remains unchanged and provides Keyless Entry functionality on all doors.

- **Starting from the MY23 production:** The chrome insert on the front bumper is no longer available in the GT trim.

- **Starting from December 2022 production:** The 12V power outlet in the cup holder has been removed.
- **Starting from October 2022 production:** The material of the internal handholds of Quattroporte has been modified from leather to plastic.

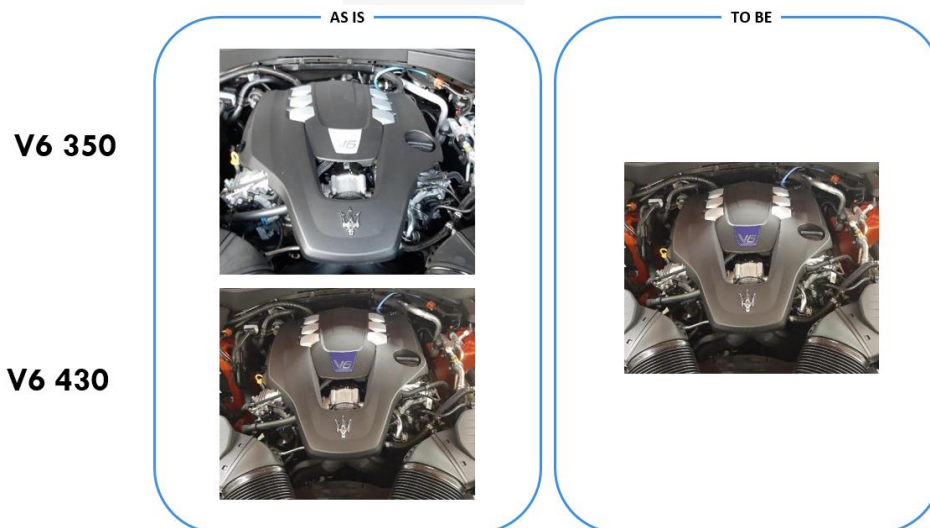

- **Starting from December 2022 production:** The welcome kit has been removed for Levante.

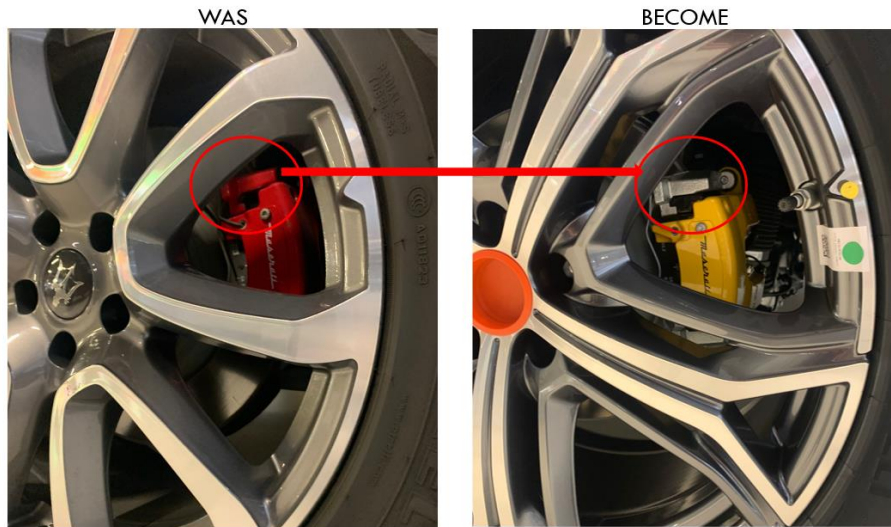

- **Starting from December 2022 production:** The cup holder of the rear Quattroporte armrest has been removed.

- **Starting from December 2022 production:** the paper Owner's manual has been removed and the Quick Guide case material has been modified from leather to eco-leather.
- **Starting from December 2022 production:** the V6 engine covers have been aligned to a single blue logo version.

- **Starting from February 2023 production:** Levante rear caliper brackets (**OPT 5LR & 5LS**) are no longer painted.

- **Starting from MY24 following contents are no longer available to order (Sales Order):**

- **OPT 204** (Levante only) Four Zone Climate Control
- **OPT 4JF** (Ghibli & Quattroporte only) High Premium audio system
- **OPT 79U** (Levante only) Front Illuminated Steel Door Sills – Available as an AfterSales accessory (MAS002243)\*
- **OPT AWS/989** Smoker's Kit
- **OPT 5J1** (Quattroporte only) Nerissimo Pack
- **OPT 7XX** (Levante only) Luggage Compartment Rails and **OPT 762** Luggage Compartment Net – Available as an AfterSales accessory (MAS002813)\*
- **OPT 357** (Levante only) Roof rails and **OPT 5DC** Skid Plate in metallic finish - Available as an AfterSales accessory (MAS002812 & MAS002813)\*
- **OPT 8SM** (Ghibli & Quattroporte only) Carbon Doorsills
- **OPT 4WE** Carbon Fiber Paddle Shifters
- **OPT AHX, 6JA, 960** (Levante only) Carbon Fiber Paddle Shifters - Available as an AfterSales accessory\* (MAS003028)
- **OPT 44B** (Levante only) Performance braking system
- **OPT 021** Power-Adjustable Foot Pedals
- **OPT 5KW** Power-Adjustable Foot Pedals

\* Please double check with your parts dept for availability (while supplies last).

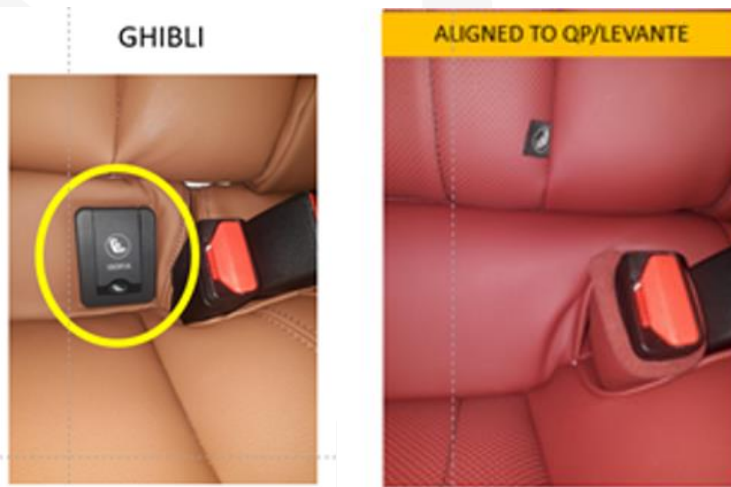

- **Starting from MY24:** The black finish exhaust tail pipes has been changed to chrome on the Ghibli and Quattroporte GT and Modena models.
- **Starting from MY24:** The auto dimming function of the passenger rear view mirror is available only if the car is equipped with **OPT XAN** Blind Spot Assist
- **Starting from MY24:** The cup holder is available only in the open configuration – without any door cover

- **Starting from MY24:** The Aluminum plate in the central tunnel has been removed (Levante only)

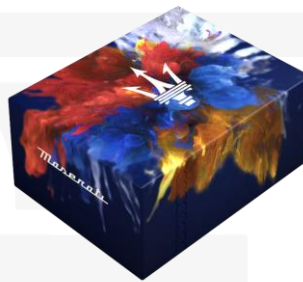

- **Starting from MY24:** The Ghibli's rear ISOFIX attachment configuration has been updated to match the solution already implemented on the Quattroporte and Levante.

## Grecale

- **Starting from MY24:** the welcome Kit has been removed (initiative limited to the MY23 launch)

- **Starting from MY24:** the Wearable key (OPT GX9) is no longer supplied but can be ordered as a separate OPT. If the OPT GX9 is ordered, the strap is positioned inside the dashboard glove box.

- **Starting from MY24:** the paper user manual has been removed (except for the North America market), the Quick Guide remains included.

- **Starting from November 2023 production :** the right and left seals of the engine compartment hood have been removed (component #7 and 8 of section 09.20-01).

## MC20

- **Starting from MY24:** the following OPT have been modified from standard to optional:
  - **OPT RFX** – Wireless Charger (only China, Hong Kong, Taiwan, Latin America, Middle East, Africa ed India)
  - **OPT 38X** - The Cielo badge has been switched from standard to optional at no additional cost, based on the customer's preference.
  - **OPT CXF** - Carbon Engine Cover, the new standard engine cover is made of plastic material (Coupé version only)
