To: All General Motors Dealers

On June 13, 2024, General Motors issued a Stop Delivery Order of certain 2024 model year Chevrolet Silverado 1500, Suburban, Tahoe, GMC Sierra 1500, Yukon and Yukon XL vehicles, via GlobalConnect message GCUS-3-3266. The GM reference number is N242455300.

Certain VINs in the original population have been identified as not being impacted by the condition. These VINs no longer display a Stop Delivery Order on the Investigate Vehicle History (IVH) screen for N242455300.

We continue to investigate a potential quality issue with the remaining population of vehicles. Dealers are to wait for further communication.

An updated list of involved vehicles that have been identified as being in dealer new vehicle inventory or in transit is attached to this message. It is sorted by dealer Business Associate Code (BAC) for easy reference. Your dealership's BAC will not be listed if none of the involved vehicles are currently in your new vehicle inventory.

The subject vehicles cannot be delivered or sold until further notice.

Until further instructions are received, new vehicles subject to this stop delivery order must be held and not delivered to customers, dealer-traded, released to auction, used for demonstration purposes or any other dealer use.
